

An Exelon Company

Your 2021 Rewarding News[®] is here.

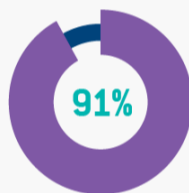

The 2021 Connected Rewards season is winding down, and we appreciate your participation. Together, you and thousands of other BGE customers did your part to reduce electricity during critical times during the summer — helping avoid power interruptions, protect the environment and keep down the overall cost of electricity.

2021 Connected Rewards Highlights

98%

customer satisfaction rating

91%

are likely to recommend Connected Rewards to others

360%

increase in customer enrollment since last year

Find out more about how you made a difference, including Energy Savings Days results in this year's edition of Rewarding News[®].
